To,

Mr./Ms. Vittal

Parent/Guardian of: Kishore

B-211 Phase-1, (Basement) Okhla New Delhi

Dear Parents/Guardians,

Homeschooling and online teaching platforms at **PROSE® EDUCATION ACADEMY PRIVATE LIMITED (PROSE)** through its **GameChanger Schooling Program (GSP)®** enables students to accelerate at their own pace as it concentrates on the excellence of education conformed to a child's capabilities. It encourages the growth of the child in a favourable and comfortable environment while being flexible enough to help the child excel in other areas. Regardless of the plenitude of benefits that our student gets, the important question that most parents have is the legality of the pedagogy and techniques of imparting education at the academy.

In providing an appropriate perspective and reply it is important to realise that under **The Right of Children to Free and Compulsory Education Act or The Right to Education Act (RTE)**, an act of the Parliament of India enacted on 4 August 2009, right to formal education is a fundamental right guaranteed under the Constitution of India to every child, who is a citizen of India, aged between the ages of 6 to 14. Under this right and the Act there is no specifications as to where or how the education can take place. Later, the government filed an affidavit stating that this act does not make homeschooling illegal and that the Indian judicial system does not hold homeschooling against any section or provision of the act.

Progressively on to the question of higher education, all children can attend or participate and qualify in curricular educational programmes which are affiliated to various examination boards in India and abroad for them to be eligible for college admissions and higher education throughout India or globally. There is no restriction for any child to attend a particular curriculum or qualification examination. The choice for the same is left to the child and its parents.

The world is rapidly changing with a multitude of technological advancements and we aid you in the process of growing your child to get accustomed to the progression of the future.

In the conduct of learning online, we are using electronically stored data, pedagogy, online conferencing platforms in conducting classes online, learning management

systems, assessment management systems, digital blackboards, live video streaming, transmission of digital images, transfer of digital content and seeking inputs in the similar manner from the students.

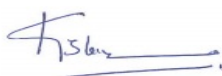

We believe that there is no requirement of a particular teaching and learning method we will adopt as we will engage in conducting lessons through online classes. We would provide knowledge to everyone by conducting classes through the use of technologies available for the continuity of education as well to the best possible extent based on the programmes prescribed and recommended by The National Institute of Open Schooling (NIOS) (<https://www.nios.ac.in/about-us/profile.aspx>).

NIOS provides opportunities to interested learners by making available the following Courses/Programmes of Study ([https://www.nios.ac.in/departmentsunits/academic/open-basic-education-\(obe\).aspx](https://www.nios.ac.in/departmentsunits/academic/open-basic-education-(obe).aspx)) through open and distance learning (ODL) mode.

- Open Basic Education (OBE) Programme for 14+ years age group, adolescents and adults at A, B and C levels that are equivalent to classes III, V and VIII of the formal school system.
- Secondary Education Course
- Senior Secondary Education Course

We believe that education starts at home and during this experience of online learning, we hope to build a strong partnership with families for a child's ways to learn at home with the help of technologies that allows us to remain in touch, provide instruction, educate, and interact with your child.

DECLARATION

As a school, we confirm the following:

1. With these technologies available, we ensure that it is used properly as we make comply with all applicable laws.
2. We will comply and ensure adhering to all laws that deals with how websites and other online operations, including applications, collect data and information from children under the age of 18. In compliance, no advertising shall appear during sessions of online classes. The school shall conduct classes and use the technologies with students for the sole purpose of education. No other third party shall have access or shall obtain the student information.
3. We will to the best possible extent and technologically available resources address concerns about children's inappropriate use of technology and access to obscene or harmful content over the Internet. In compliance, we have set technological measures, guidelines, and policies to protect your child from harmful materials including those that are obscene and inappropriate. In this regard, we will not allow in any chat room, whether in private or in a group setting any materials or communication that may be contrary to the Act.
4. We will protect the right to privacy of all students and confidentiality of education records while it gives authority and rights to parents to review student records.
5. We will as required disclose lawfully permitted and consent based directory information of the students, however, in so far as it does not conflict with the minimum prescriptions under the law, parents may request the school not to disclose certain information. In this regard, in case you intend to limit or disallow the sharing of information, you may reach out to us.
6. We will adhere to all the applicable laws of India in relation to imparting education to the students and comply with all the rules and regulations prescribed by the relevant educational boards of which the students are to be affiliated with and undertake examinations.
7. We will make best efforts and reasonable endeavours as may be possible at the relevant time to provide the latest information and update the parents and guardians of the students with all changes that may be required, prescribed or laid down from time to time which may affect or have a bearing on the education of the student.

		MONDAY THROUGH FRIDAY. 1 hour of self-study in a day. Saturdays are meant for doubt clarifications and bridge classes. Pure Science classes will happen in the evening only	

7. I understand that the Annual calendar of the GSP determines important activities and I will ensure that the student shall participate in all activities as per the calendar.
8. I understand that GSP will not be able to issue a transfer certificate (TC) in case the student is withdrawn from the GSP at any time prior to the completion of the GSP tenure.
9. I will ensure that the student informs the designated or nominated online instructor or programme co-ordinator of any scheduled or unscheduled absences and makeup missed work as required.
10. I understand that GSP is an alternate school built to support the education need of students pursuing serious sports.
11. I understand that GSP will not be in a position to issue any legal certificates like bona fide, domicile, etc., as may be required.

12. I understand that GSP will not be responsible for any delay from the end of NIOS in relation to the despatch of textbooks, ID cards, conducting examination, issue of marks card ancillary matters relating to the education stream of GSP as it is completely to be provided by NIOS while PROSE shall make all efforts to ensure proper and timely provision of the same.
13. I understand that once taken admission into a class and batch, I must stay in that class and batch for the duration of one Academic year and if there is a withdrawal, no part of the fees shall be refundable and nor will PROSE be liable to provide any qualification while it will make a reasonable efforts and provide support the best extent possible to ensure that the education of the student continues.
14. I understand that it is my responsibility to provide all required documents in relation to the student as per NIOS requirements to help GSP to complete my enrolment with NIOS.
15. I understand that GSP as part of the fees payable shall make NIOS exam fee payment for up to 5 subjects on behalf of the student for one appearance at the exams in each subject. However, in case the student is not successful in the exam or does not attend the exam, then it is my personal responsibility to make payments for additional appearances or additional subjects to attend the NIOS exam.
16. I understand the Academic year starts in June and ends in April the consecutive year. The fee structure of GSP is for one Academic year and shall be payable in its entirety for the whole year on a non-refundable basis.
17. I understand that it is my responsibility to arrange for the student a laptop as per the technical specifications with the installed software having valid legal licenses for all the required software on it, headphones, speaker, and internet connection to the specifications prescribed by PROSE to attend online classes.
18. I undertake to reimburse PROSE for any costs that it may incur to ensure that the software required by the student is procured by PROSE on behalf of the student to enable teaching.
19. I understand that I am required to attend all parent teacher meetings (PTM) as scheduled and informed by the GSP.
20. I hereby give my permission for my child to participate in an online class in a platform preferred by the School.
21. I hereby consent to the school's collection, use, and/or disclosure of information about my child through the course registration process and other manual and/or electronic procedures of the school and the nominated course providers.
22. I understand that my child is registering for a virtual course or participating in virtual learning, and that the information collected is needed for both course registration and

progress reporting to my child's school.

23. I do agree, consent, and confirm that this consent form covers all forms of distance learning courses, including but not limited to satellite courses, video courses, and web-based courses. Your child's image may be transmitted during video portions of distance learning and online courses.
24. By affirming my consent for my child to participate in an online class, I understand that no derogatory, obscene, or any form of racism shall be allowed in class.
25. I understand that class session may be recorded for the purpose of archive or promotional purposes. In this regard, I give my consent for my child's participation to be included in the promotion of the school.
